Limited Capacity UCEAP Programs 2018-19

*If your program is on the list below, we encourage you to submit your application closer to the start of the SlugsAbroad Application Cycle to help secure your participation as these programs have limited space. We accept applications first come first served for qualified applicants with complete applications. If your program is NOT on this list, then your program does NOT have limited capacity and you can submit your application any time during the Application Cycle without impacting selection.*
